2. To be eligible, the applicant must be a child, stepchild or legally adopted child of a member of the International Chemical Workers Union Council with continuous membership for at least a year prior to March 8, 2024. Children of employees of the ICWUC or the UFCW who are ICWUC members are not eligible for an award.

3. A total of 12 \$1,500 Awards will be made as follows: one Award in each of the five regions of the International Chemical Workers Union Council; and seven Awards granted on an at-large basis. An additional five alternates will be selected and ranked who will receive an Award forfeited by any winner.

In the event there are not sufficient completed applications in a region to grant the one regional Award, the Award will be granted on an at-large basis.

4. The recipient of an award may attend any accredited college, university, school of nursing, or any other accredited institute of higher learning beginning with the next school year.

APPLICATIONS

5. All applications and inquiries relative to the Awards Program must be forwarded to the International Chemical Workers Union Council, Walter L. Mitchell Memorial Scholarship Awards, 1655 West Market Street, Akron, Ohio 44313, or emailed to dburdette@icwuc.org.

No request for final application forms will be honored unless it is made on the attached form or facsimile.

7. Applicants are urged to take one of the nationally given exams (SAT or ACT) if available. Arrangements for these examinations should be made with high school counselors or principals. If an applicant is entering an institute of higher learning which does not require either examination, the name or type of entrance examination required must accompany the preliminary application.

8. It shall be the APPLICANT'S RESPONSIBILITY to make certain that entrance test scores are included with scholastic records from the applicant's high school or from the institution administering such examinations. The College Entrance Examination Board (SAT) code number for the Walter L. Mitchell Memorial Awards is 0284. later than May 24, 2024.

13. The winners of the awards must conduct their own negotiation with the school of their choice. Application for an award does not constitute application for admission to the selected school

PAYMENT OF SCHOLARSHIPS

14. Upon the enrollment of an award winner at an accredited college, university or other accredited school of his or her choice, the amount of the award will be deposited with the school, in the name of the student and will be disbursed on his or her behalf to cover authorized expenditures.

The International Chemical Workers Union Council cannot accept any responsibility for the conduct, personal affairs, debts or obligations of an award winner and, therefore, the Council shall not be liable for the same in any manner.

OBLIGATIONS OF SCHOLARSHIP WINNERS

15. The award winner must enter the school of his or her choice not later than the fall of the year in which his or her award is granted. Except for military service, illness or other exceptional and extenuating circumstances, the award winner will be required to continue his courses without interruption.

If the award is forfeited by a winner, the award will be given to the next highest eligible contestant.

MILITARY SERVICE

16. If the studies of the award winner are delayed or interrupted by military service, upon notification to the International Chemical Workers Union Council, the award will be held in abeyance during such military service. However, the award recipient must apply for reinstatement of his award within three months of discharge and enroll in a college no later than the next succeeding year.

ILLNESS

17. An illness, accident or any exceptional extenuating situation which delays the award recipient from commencing or continuing his college studies will be regarded as an acceptable reason for holding the award in abeyance.

PERMANENCY OF THE PROGRAM

18. The Award Program has been established with the confident expectation that it will be continued on a permanent basis. It is recognized that conditions may require changes or modifications.
